**Bold Type** indicates that trailer is available in Orca Black, Oyster, Nautical White and Galvanized. Please check the brake and legal load/width requirements for your state.  
 Note: Shipping weights may vary due to manufacturing variances, and added options/exchanges.

Whether you need one, two or even a four-place water vehicle trailer, EZ Loader has the right one for you. The leading-edge manufacturer in quality boat trailers has put its experience and engineering into WV design, producing superior products that deliver unsurpassed performance and rugged dependability. All backed up by our **Two Year Limited Warranty** for your protection and peace-of mind. Fifty years of boat trailer quality makes your decision an easy one. **EZ Loader. The right trailer for your new water vehicle.**
