# Professional Service with a Smile

The great people at **K&M Unibody Works** make all the difference.

As you enter, the first thing you see is our new, comfortable *Customer Waiting Area*, where you'll be greeted with a helpful smile and courteous service.

We offer on-the-spot *Drive-in Estimating* with two professional estimators to serve you better. You'll get an accurate estimate in writing within minutes.

Free pick-up and delivery of drive-able cars. And all vehicles are washed and vacuumed when we return them to you.

All our work is covered by a *Lifetime Guarantee* and backed up with a complete *Written Warranty*.

# We have the Professional Personnel, Equipment and Facility to Do Your Collision Repair Correctly.

You can always expect the best from **K&M Unibody Works**. The best trained people, the best equipment and the best facility to make your vehicle body repairs.

Our 10,000 square foot facility has ten bays, two frame racks, computer frame measuring, a professional paint-mixing facility, and downdraft bake-on paint booths, all completely cyclone-fenced for safety and security.

Some of our bays are "Super-sized" for large commercial, agricultural or industrial equipment repair.

When your car or truck is damaged in an accident, take it to the professionals who truly care about your satisfaction. **K&M Unibody Works**.

## I-Car Gold Class Rated Since 1997

K&M Unibody Works is especially proud of its *I-Car Gold Class Professional Certification* since 1997. The rating is based upon the amount of training our employees receive throughout the year to stay current on the latest techniques, tools and technology. We strongly support their 'Excellence Through Training' program.

In addition, we are also a member of many insurance company *Preferred Shop Programs*.

When it comes to repairing your car or truck, the professionals at **K&M Unibody Works** will do the work properly the first time. Let us show you how we've been making customers happy and earning our reputation for quality and excellence for over fifteen years. Call today.
